- subject to any changes in manufacturer's price
- subject to VAT at the prevailing rate
- subject to change in Vehicle Excise Licence

CO2/Euro compliance emission ratings:

The CO2 emission rating included in our quotation is based on information provided by the Vehicle Certification Agency (VCA). Their data may contain errors, so please use this information for guidance only. For tax purposes, you should check the accurate rating on the vehicle registration document.

The P11D value is based on the details available at the time of preparing this quotation. The final value will be set when the vehicle has been delivered and the vehicle registration document is issued.

You are/your company is responsible for insuring the vehicle in accordance with your contract with Honda Contract Hire.

If Bluetooth is listed as an extra, the value is included in the P11D value.

In line with HMRC EIM2178, if the primary purpose of Bluetooth is for hands free mobile use, you may be able to exclude it from the P11D value.
